Dear Director Dormsjo and Associate Deputy Director Marcou:

On June 1, 2017, at a public meeting and with a quorum of 10 of 12 Commissioners present, ANC 1B voted unanimously on the following items:

- **Quarter & Glory - 2017 14th St. NW, DDOT Tracking #10395982, new unenclosed sidewalk café:**
  The Commission voted to support the unenclosed sidewalk café application of Quarter & Glory located at 2017 14th St. NW, conditioned on the applicant reducing a portion of the café space located on the north side of the entrance to alleviate a pedestrian bottleneck. Specifically, ANC 1B recommends to the Public Space Committee that the 7’ 9” by 4’ 6” space be eliminated, therefore leaving 6 tables with one ADA table included and a total of 12 seats.

- **9 ½ St NW Alley:**
  The Commission voted in support of repaving the 91/2 Street NW alley in brick.

- **Broward Place Alley:**
  The Commission voted to support the repaving of Broward Place, situated between 12th Street and 12th Place, and between 12th Place and 13th Street in brick.

- **801 Restaurant and Bar – 8th Street Sidewalk Improvements:**
  The commission voted to support the request to pave the area of concern on the east side of 801 (8th street) with permeable pavement, specifically including the margin between the sidewalk and roadway near the rear exit of the building to remedy this issue.

The Chair or, as defined on the attached, as delegate of the Chair, shall be authorized to communicate these actions to and testify before any agency of the Government of the District of Columbia or the members of the Council of the District of Columbia.

ON BEHALF OF THE COMMISSION.

Regards,

John C. Green
