ANC 1B has no objection to this application.

ANC 1B has the following objections to this application:

Voted (10,0,0) to oppose the application for valet parking at this location and defer it until DDOT convenes a Valet Summit with ANCs, MPD, business owners, and valet operators. ANC 1B believes the current single stand model is a serious safety issue given significant multimodal transit on 14 St and U St corridors. (Please attach additional pages if necessary)
